**Describe the Record(s) Requested:**

Greetings! I am looking to obtain a record of all calls for service originating from this location on November 25, 2022. Specifically, I am looking for any calls for service that any Best Buy employees may have made, that might show up as a "shoplifting" incident, that might have been called in by said employees (if they even made such a call in the first place) and to which would have likely been made by them around 2:19pm that day. Ultimately, if no such calls for service were made on the date, around that time, an "empty" record report showing that no such calls were made on that date, around that time, is what I am alternatively seeking. Thanks!

Please be specific with your request to narrow our search and respond to you quickly and efficiently.

**Preferred Method to Receive Records:**

Electronic via Records Center

## Acknowledgment

I have read the statute above and do hereby affirm and attest that the records requested by me shall not be used for the direct solicitation of business for pecuniary gain and that the information obtained in the reports requested and/or copies of said reports shall not be further disseminated by me except for as allowed by law.

**Subject:** [Records Center] Police Records Request :: Z000422-090424

**Body:**

Attached is the completed calls for service that you requested last week.  
Please note, we usually charge \$30.00 per hour for redaction on requests, but since there was only 2 calls for service and no redactions necessary I am not adding the charge to this request.

Thank you
